# ANNUAL REPORT

THE HOSPITAL BOARD has pleasure in presenting the Twenty-fifth Annual Report and Statement of Accounts for the year ending December 31st, 1946. In doing so it is desired to take the opportunity of expressing to the Hospital's many friends and supporters its gratitude for the support given to the work of the Hospital since it was opened in December, 1921, and during its twenty-five years of activity in the district its usefulness in caring for the sick and suffering has been amply demonstrated.

During the year under review the Hospital was closed from July 28th to enable the extensive war damage repairs to be carried out, and was reopened on September 16th.

The number of patients admitted during the year was 228 (of these, 64 were men, 84 women, and 80 children). Out-patients numbered 654, entailing 2,650 attendances. X-rayed, 175. Of the cases treated, 110 were medical, 98 surgical, and 20 accidents. Operations performed by the Hon. Visiting Surgeons were 80.

The Board desire to pay a warm tribute and to express appreciation to the Hon. Consultant and Medical Staff and Dental Surgeon for their skilful services so ungrudgingly given.

It is with much pleasure that the Board are able to announce that Mr. Guy Blackburn, M.Chir., of Guy's Hospital, and Dr. J. Littlejohn have accepted appointments as additional Honorary Surgeons, and Dr. Bertram H. Jones as Honorary Physician to the Hospital, and also Dr. H. Woodfield Davies as Honorary Anæsthetist.

The resignation of Dr. Bell Smith on his leaving the district was received with regret, and it is desired to acknowledge his valuable services during his connection with the Hospital.

The Board desire to express to the Matron, Nursing and Domestic Staff their high appreciation of their loyal and devoted services during the year, and the many expressions of gratitude received from patients for the service of the Hospital is a source of encouragement and satisfaction.

Grateful thanks are accorded to the organiser and voluntary collectors for the Hospital Contributory Scheme, and their continued endeavours are warmly acknowledged.

The Sunday services held in the wards each Sunday by the local clergy and ministers have been greatly appreciated by the patients.

Grateful thanks to the annual subscribers for their continued financial support and for donations which have been received, especially from the Waltham Cross and District Hospital Carnival Committee, Hospital Supper Dance per Waltham Amateur Theatrical Society, the Wesley Guild, proceeds of play, the Waltham Abbey Club, and Larsen's Bowls and Social Club, also to Messrs. Murex Welding Processes and Sports Club for their generous contributions.

The box holders and the organiser, Mrs. Courtney, are thanked for their substantial help.

To all donors of gifts in kind, and those who contributed to the Patients' Christmas Fund, sincere thanks are given.

The Hospital is deeply grateful for a legacy of £1,234 from the late Mr. H. J. Bolton, who took such a keen interest in the Hospital.

The Annual Garden Fête was held in the grounds of Joyce House by the kindness of Mr. and Mrs. G. Gray, and it is desired to accord our

warmest thanks to them, and also to Mrs. Trudgett, the Hon. Secretary, who was so ably assisted by Mrs. Courtney and many willing helpers who helped to make the event such a great success in raising £333 3s. 11d.

During the year the official annual visit was made by representatives appointed by the King Edward's Hospital Fund, who expressed satisfaction after their inspection of the Hospital. The Board are most grateful to the Distribution Committee of the Fund for their generous grant of £350, £250 of which was allocated to the extension.

Grants were also received from the Alexandra and Hospitals' Day collections, and those who assisted in the local collections are thanked for their services.

A grant of £10 is also acknowledged from the League of Mercy.

The Linen Guild, organised by Miss M. Bolton and Mrs. Wignall, has again rendered acceptable service by providing many useful articles, and all concerned are thanked for their efforts.

The Board are pleased to be able to inform all those interested in the Hospital that the extension has been approved by the Ministry of Health and work has commenced. Due to lack of materials and labour, progress has been held up, but it is hoped that the work will be completed in the near future, when the additional beds to be provided will be available for patients. In the meantime, the Board will be pleased to receive donations towards the cost of equipping and furnishing the wards and staff rooms.

The Board has to record with deep regret the death of Mr. J. W. Wigney, who rendered much valuable service as one of the Honorary Auditors since the Hospital was first opened.

Mr. F. H. Davies has kindly accepted the appointment to fill the vacancy, and with Mr. E. J. Carter is sincerely thanked for auditing the accounts for the year.

The retiring members of the Board are Mrs. Courtney, Mrs. G. Tuck, the Rev. A. V. G. Cleall, and Mr. G. Gray, who are eligible for re-election.

As is now well known, the National Health Service Act, 1946, received the Royal Assent and was placed on the Statute Book on November 6th, 1946. The parts of the Act relating to the taking over of Hospitals and for the provision of Hospital services will probably become effective on the "appointed day" in April, 1948.

As will be seen from a perusal of the accounts, the income for the year shows a small increase over expenditure, mainly due to special payments received from the British Hospitals' Association in respect of grants made towards the increase of Nurses' salaries under the Rushcliffe Committee's recommendations and also payments received from the Ministry of Health for the First Aid Post during the war. Expenditure has, however, considerably increased, due to rising costs of supplies and other necessary expenses.

In the meantime, the Hospital Board earnestly appeal for continued support to enable the Hospital to be handed over to the State on the "appointed day" in as highly efficient and well-equipped a state as that which all supporters of our Voluntary Hospital have combined to achieve in the past and of which they may be justly proud, and so ensure that the Hospital continues to be an asset to the district for the continuance of the treatment of the needy, sick, and suffering.

It is, therefore, hoped that subscribers will continue to support their local Memorial Hospital by giving as generously as possible to enable the Board to achieve their aim before the State assumes control.
